The painted ponies go up and down

. . . we're captive on a carousel of time

we can't return,

we can only look behind

from where we came

and so round and round and

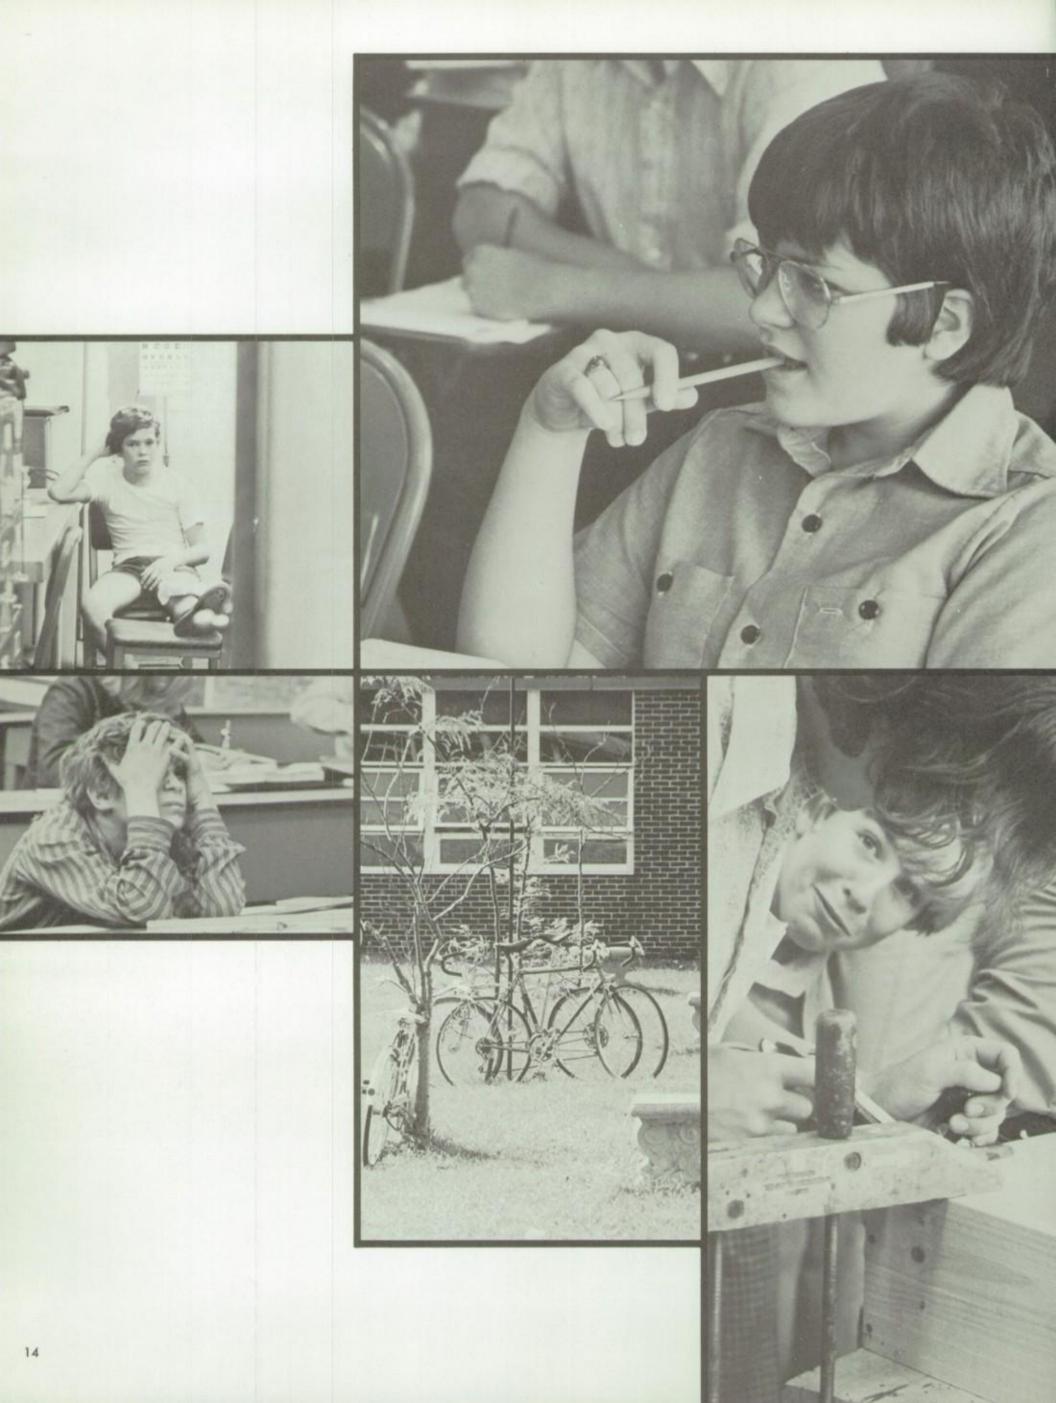

round in the circle game

Ask me and I will play
So sweetly, I'll make you smile
This is my tune for the taking
Take it, don't turn it away
I've been waiting all my life.
Thinking it over, I've been sad
Thinking it over, I've been more than glad
To change my ways for the asking
Ask me and I will play
All the love I have inside

- Paul Simon

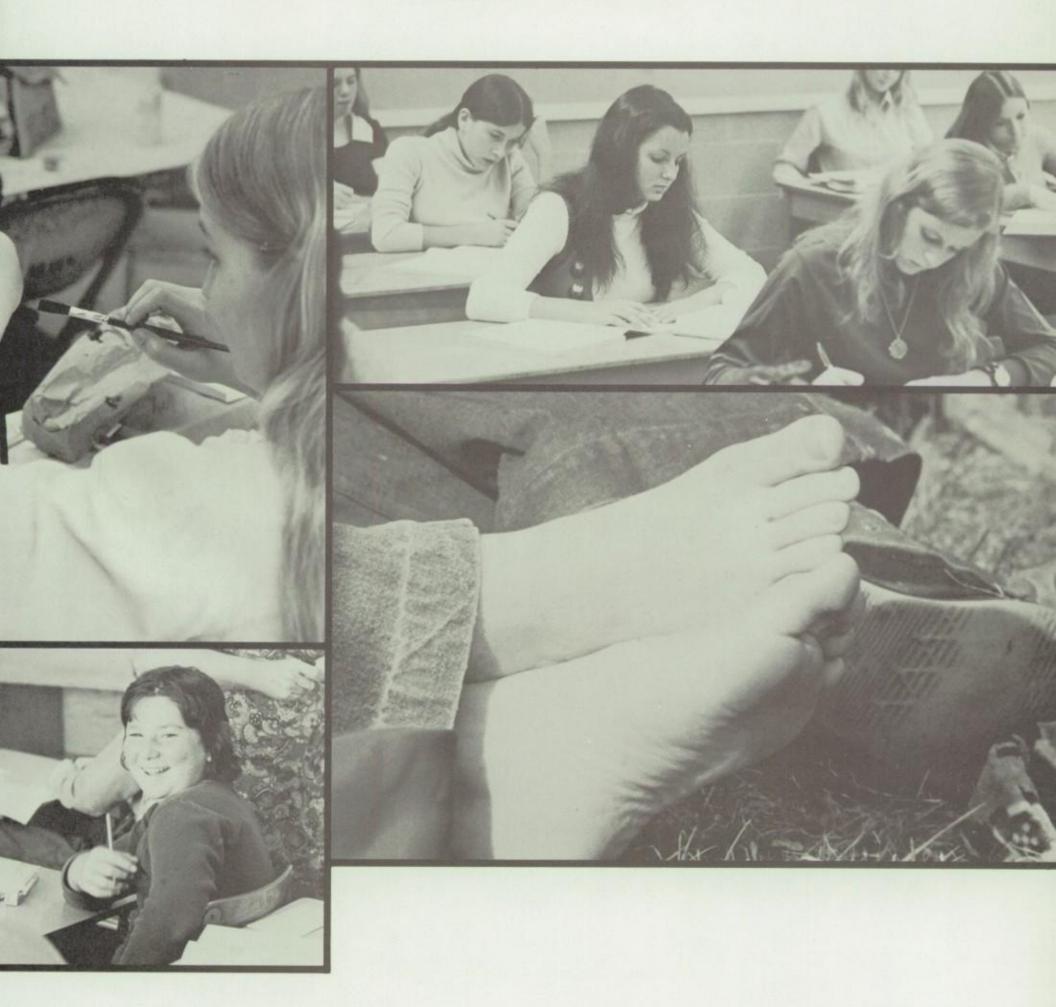

You cannot have youth and knowledge of it at the same time.

For youth is too busy living to know.

And knowledge is too busy seeking itself to live.

There are places I remember all my life though some have changed. Some forever not for better Some have gone and some remain. All these places had their moments with lovers and friends I still can recall. Some are dead and some are living. In my life I've loved them all.

- Lennon/McCartney

PRINCIPAL'S MESSAGE TO THE CLASS OF 1974

Hail and farewell to the class of 1974. Your most selective valedictory "Youth is a time to cherish," is particularly appropriate because it is a rhythm of life that is both scintillating and ennobling. Your record of achievements, academically and scholastically bear adequate testimony to this end. The art of living does not consist merely in preserving and clinging to a particular mood of teenage happiness, but in allowing happiness to change its form without being disappointed by change. For happiness, like a child, must be allowed to gestate and mature.

You are the products of a tempestuous and troublesome society, for the present is too much for the senses, too crowded with trials and tribulations, too confusing — and albeit you have persevered with stalwart hearts. By your laudable efforts you are prepared to seek the quarry of productive life which is still a fever to the questing hound. I am convinced that for you the skyline above and beyond is a promise — not a bound. When you depart these hallowed halls do not permit society's ills to flag your spirits, but only to allow them an incentive to realize a community of mobility for yourselves and your fellow man. If along the way you experience an occasional fright, clasp the hands of your brethren and feel the strength they generate. Remember many fears are borne of fatigue and loneliness. You are never alone in your illimitable struggle.

Be at peace with God, whatever you conceive him to be, and whatever your labors and aspirations in the noisy confusion of life keep peace with your soul. With all its shame, drudgery, and broken dreams, it is still a beautiful world.

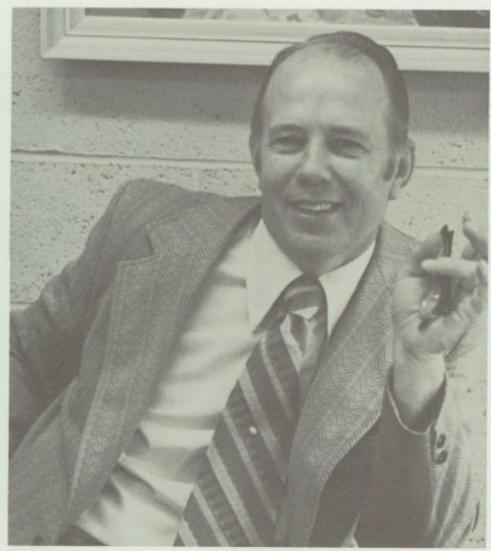

Congratulations, best wishes and fondest memories to all of you.

Affectionately,

Christopher K. Rallis, Principal

Your proud Cane counterpart.

MISS WILLARD

We come to school to learn about a truth we can meet and witness. And in searching, we find a common bond which ties us together with more strength. Our teachers help us to discover these truths through gentle persuasion and guidance, but most of all, we help each other by caring enough to give our time. Thank you Miss Willard for all the time you have given to us.

1973 FOOTBALL — CLASS A LARGE

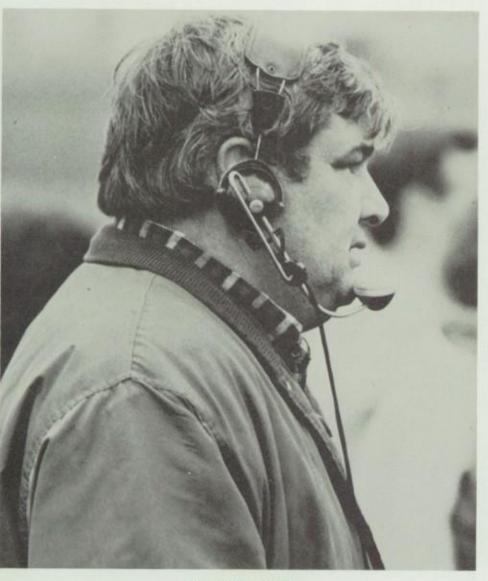

For the first time in the history of Warwick Veterans Memorial High School, our football team earned possession of the Class A large title and the City Championship. Their determination and spirit kept them going to the state finals. (Important games were won over Toll Gate 7-6, East Providence 28-0, and Pilgrim 14-6.)

School spirit really soared the day before the Thanksgiving game with the school experiencing the best pep rally it has seen in years. The Thanksgiving game proved to be one of the highlights of this year's season with Rick Corley, John Berard, Ralph Nonnemacher, Frank Ricci, Kevin Bristow and Mark McClure leading the offense. The defense, led by Captains Dave Brown, Mike Rainone and Mike Sheridan, and seniors Gary Bannon, Joe Bellucci, Pete Mazzone, Paul Peckam, and Dave Thatcher, held the Pats to six points. This victory enabled the Canes to take their Division Crown edging Cranston East by one point in the final standings.

Under the experienced coaching of Mrs. Downs, the 1974 Girl's Basketball team won the first place spot in their division with an impressive record of 13 and 1. Important victories were won over Central in two hard fought games. In one of these games, the Warwick cagers were down by five points with 40 seconds remaining. Through great team effort and determination the Warwick girls handed Central their second defeat in a thrilling overtime. Another important victory was won over Tollgate, 54-47.

Starters Donna Lamoureux, Mary Shakespear, Lynn Sheedy, Joanne Hallquist, and Lynn Batista led the team, but they were backed by an exceptionally strong bench. Next year's season looks promising with the return of 11 players, four of whom are starters. Now the girls are engaged in playoff competition with an eye on the State Champsionship. Congratulations to coach Downs and the team for coming this far and good luck in the playoffs.

Outstanding individual performances were turned in during the R.I. State Wrestling meet by Jeff Condon, Bob Flinn, Jim Soares and Bruce Arnold, who all placed 2nd. Tom Tucci also placed 3rd. In N.E. competition Bob Flinn placed 2nd and Bruce Arnold and Jeff Condon placed 3rd. Jim Soares placed 4th. Congratulations to the team and Coach West for an excellent season!

Finishing their season with an impressive overall record of 17 and 7, our Cane Basketball team captured third place in the very tough Metropolitan I Division. In doing do, they earned a playoff spot and are now fighting their way to the State Championship title. Coach Cox fielded a very strong team, mostly made up of seniors. Captains John Almon, Willie Middlebrooks and Jim DeTroia provided the court leadership and stability needed to pace their team along. The team had many highlights this year, one of which was being invited to play in the Christmas Tournament at Hendricken. In these games, the Canes defeated a very fine team from New Jersey only to place second to Hendricken in a last second loss to the Hawks. Wrestling

The J.V. wrestling season was very productive; many of the wrestlers gained the experience that will help them step right into the weight that are now filled by graduating seniors. In the R.I. State Wrestling Tournament there were 2 first place finishers, 112 lb. Kenny Cerio and 126 lb. Keith Grimaldi. Joe Baglini attained a 2nd place in the 119 lb. class, also Norm Thibeault placed 4th in the 105 lb. class. Overall the team placed 4th in the state tourney, even though they only entered 5 wrestlers. Coach Hynes was quoted as saying he's interested in quality, not quantity. Coach West is anxious to have the dedicated wrestlers vying for varsity positions in the 74-75 season. Other J.V. wrestlers that deserve recognition are Tom McGovern, John Tucci, and Jeff Voigt.

COACH GREENFIELD

The year 1973 marked the first season for girls in competition. As a new gymnastics team, competition against experienced teams was difficult. The team consisted of 2 seniors, 3 juniors and 2 sophomores. The four areas of competition are side horse vaulting, balance beam, uneven parallel bars, and floor exercise. The season opened with dual and tri meets which were followed by the Regionals that qualified teams for the State meet. This year sophomore Carol Papa and Co-Captain Sue Papa placed first and fourth respectively executing a bent hip straddle vault at the Regionals. At the State Meet Carol will perform a layout squat vault and Sue will perform a handspring vault. Congratulations also to Co-Captain Senior Deb Hay, Juniors Carol DiBattista, Kathy Gill, Barbara Morgan, and Sophomore Ginny Johnson for a fine first season of competition!

In addition, eight 9th graders competed in exhibition at the varsity dual meets. They also participated in dual Freshman meets and finished the season with a State meet. Good luck next year in your first varsity season!

This year's young hockey team with only 4 seniors among the 22 players (8 juniors and 10 sophomores) finished in a tie for first place in the Metropolitan B Division league standings with 12 wins and 8 losses. The team was eliminated from the championship playoffs in three hard fought quarter final games.

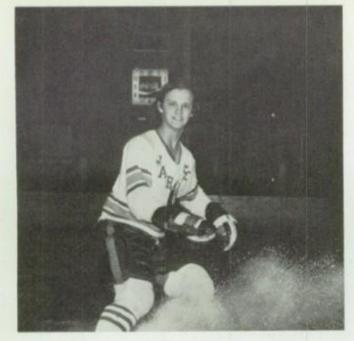

The four seniors on this year's team were Captain Steve Albro and Co-Captains Carl Anderson, Dave Kenneally, and Chris Wilde. With almost the entire team returning next year, we can expect a strong run at the league championship.

The leading scorers this season were the following:

		C)	
John Hurst gr. 10	15 goals	16 assists	31 pts.
Steve Shein gr. 11	12 goals	11 assists	23 pts.
Bill Hogan gr. 11	10 goals	13 assists	23 pts.
Dave Kenneally gr. 12	10 goals	12 assists	22 pts.
Mike Boyajian gr. 11	8 goals	12 assists	20 pts.

Those were the days when . . .

- . . . we slipped on and fell into melted ice cream sandwiches.
- . . . we had teachers who found enjoyment in flicking the light switches.
- . . . we had dances that some of us still can't remember very well.
- . . . we listened to the Almighty voices from above on the P.A. every morning before first period.
- . . . we discovered that we'd run out of paper in the lav, unfortunately after it was too late.
- . . . we would die of smoke inhalation every time a lav door opened.
- . . . we had to wash the coffee, confetti and mustard out of our hair after a football game.
- . . . we had to first consult an interpreter before attempting to read the menu chart in the
- . . . we had to pay in order to learn what a money-eating pay phone really was.
- . . . we learned to drink from hot water bubblers.
- . . . we had classroom phones that sounded all too much like fire drills.
- . . . we had the heat turned on in June and September when the outside temperature was about ninety degrees.
- . . . we had to ride buses that were always right on time except in the winter and on rainy days.
- . . . we spent first period every day with our heads on the desks, not remembering why we didn't do our homework and not really caring.
- . . . we would fall off the high bars in apparatus while the acrobats were doing triple flips on the trampoline.
- . . . we were having such a good time that we never even thought about it all coming to an end until now . . .

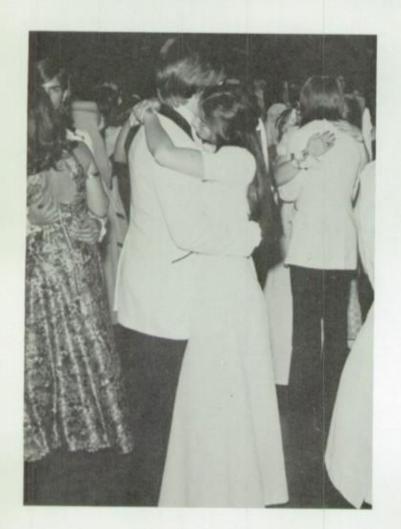

when the last days are beginning to fly.

Ready to step forward,
Confident, brimming with ideas.
Experience is broadened,
Challenges are faced
To prepare for a future
That will surpass all todays.
A heritage abounding
With pride and accomplishment
Will accompany them,
But their future will be theirs alone.
Responsibilities will appear,
But for now — Anticipation and Hope.

Hazy glimmers of a golden future have evolved, become precise, grown to immeasurable proportions.

Dreams have been sought,
And are now immersed in gilded nets.

Futures await us — Eternally living, forever expanding.

As the school year comes to a close, our high school days are quickly ended. And with them go the memories we have all shared. Memories of a helpful teacher, a certain dance, an important game, or a special friend, will never, and must never be forgotten. Friendships have been made which will endure for years to come.

We must strive to accomplish any goals we have set for ourselves in life. But no matter what may happen, we must always remember to be ourselves — an individual.

Remember, now we are students at school. Soon we will be students of life.

On behalf of the class of 1974, I wish you much success in all your future endeavors and may peace be with you always.

A Friend,

ADVISOR Mr. D'Amato

Among the many people who have helped us throughout the year, we would like to thank the following:

Mr. D'Amato — our advisor, whose time and unselfish devotion to our many little problems is deeply appreciated. Mr. Rallis — for all the help and encouragement he gave so freely.

All the secretaries, clerks and teachers who helped us over the rough spots and who were so understanding when we needed it the most.

Pam Powers and Mr. Rittmann — to whom we are very grateful to for their beautiful artwork throughout the book.

The members of D-204 — for the use of their office as our meeting place every morning before school, every morning during school, every lunch period, every afternoon etc. . . Also for the many healthy conversations which made us realize that things weren't as bad as they seemed.

Joe Geoffroy — for putting up with all of our last minute calls and for never failing to brighten up any dismal situation.

All the members of the yearbook staff — for all the invaluable help they gave in producing this book. Their time and devotion will never be forgotten.

Sincerely, The Editors
